

Gold Level Safety Award

On February 23rd, Woods Construction received a Gold Level “Michigan Outstanding Safety Performance Award” by the Associated General Contractors (AGC) of Michigan. This award shows the hard work and dedication our employees have in maintaining a safe work environment and creating a strong safety culture. Thank you to everyone who made this possible!

“I Fixed It!” Program

Submit a pair of photos and win a pizza party for your job site! Show the hazard and what you did to correct it. It's that easy! One winner will be selected each month.

Orchards Children's Services

This past December, Woods Construction partnered with Orchards Children's Services by adopting one of their families for Christmas. In April, we were thrilled to continue our support by sponsoring their annual Gerald L. Levin Champions for Children Signature Event. The gala was a heartwarming celebration, featuring beautiful art displays by the children, a fun appearance by Roary, the Lions mascot, and a well-deserved mother of the year award honoring a foster mother who supported her non-verbal son until he found his voice.

Michigan Construction Career Days

Representatives from Woods Construction attended the Michigan Construction Career days on May 1st and 2nd. MICCD is Michigan's premiere construction career exploration event, that provides Michigan's youth with a chance to experience construction up-close by getting a chance to use real tools, materials, and heavy equipment under the direct guidance of construction professionals. All MI Carpenter locals were represented as well as the Bricklayers, Electricians, Ironworkers, Operating Engineers, Millwrights, Laborers, and Painters & Allied Trades unions. A few of our office staff represented the EMU Construction Management Program, our table activity included a hands-on building game that challenged students to construct geometric shapes from 2D perspectives.

Woods Map

For many years John has talked about wanting a wooden map of the United States. He liked the idea of each state being a different species of wood ... and perhaps even a statement above it ... “Woods, we cover the nation.” The office staff finally brought John's dream to fruition and presented the map, complete with blue backlighting, just a few weeks ago. The next time you are in the office, please take a look ... you might even find a familiar “WC” logo!

Recognitions and Celebrations

Mental Health Awareness Month

May was Mental Health Awareness Month, a time to prioritize our mental well-being and support those facing mental health challenges. But we can still acknowledge it in June, and really any month during the year. Let's take this opportunity to raise awareness, reduce stigma, and promote open conversations about mental health. Remember, taking care of your mental health is just as important as your physical health. Together, we can create a supportive environment for everyone. And if you or someone you know is struggling, **988 is the Suicide and Crisis Lifeline**. Someone without judgement, and willing to help, will always answer!

Pride

Every June, we proudly celebrate Pride Month, honoring the LGBTQ+ community and advocating for equality, acceptance, and love for everyone. Join us in recognizing the diversity and contributions of our LGBTQ+ colleagues and friends. Let's foster an inclusive and supportive workplace where everyone can be their true selves. Happy Pride Month!

Juneteenth

Juneteenth is a significant day in American history that commemorates the end of slavery in the United States. On June 19, 1865, Union General Gordon Granger, arrived in Galveston, Texas, to announce the freedom of all enslaved people, marking a pivotal moment in our nation's journey toward equality.

As we observe this important day, we encourage everyone to reflect on the progress made and the ongoing efforts to achieve true equality and justice. Let us honor Juneteenth by educating ourselves, supporting our communities, and fostering an inclusive environment where everyone can thrive. Together, we can build a future rooted in respect, understanding, and unity.
