

Sock Drive

During Safety Day(s) in November we asked everyone to bring in sock donations to help support our military, veterans, and their families through Soldiers' Angels who help provide aid, comfort, and resources. Thanks to your generous support, Woods was able to donate approximately 463 pairs of socks to the Detroit VA location!

If you would like to help support, volunteer, or learn more about this program here is their website: www.soldiersangels.org

"I Fixed It!" Program

Submit a photo and win a pizza party for your job site! Show the hazard and what you did to correct it. It's that easy! One winner will be selected each month.

Woods Cookbook

We are still looking for recipes to create a cookbook to share with everyone. Things like dessert, breakfast, dinner, or snacks. Share with Carl your favorite recipes while on the road or at home.

Safety Day Success Story

Do you ever wonder if what you learned at Safety Day can make a difference? One of our employees (Richard Olson) put his training to the test and helped save a life while volunteering at a homeless shelter. He successfully administered Narcan and proper CPR to help bring a person back. Thanks to his efforts, EMS personnel were able to transport the patient to the hospital for further care!

Adopt a Family

For the sixth year in a row, Woods Construction has helped a family of six, through Orchards Children's Service, have an amazing Christmas. This is just one of two bins we were able to fill up for this deserving family!

Christmas Card Winner

This year's winner of our 26th annual Christmas Card contest is Izabella Krolkowski, niece to Helen Franczuk. Congratulations!

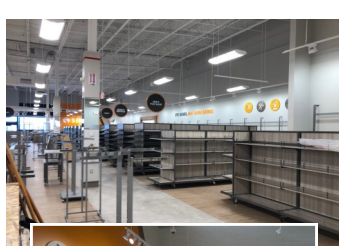

Keep an eye out to see their wonderful work this upcoming holiday season.

Progress to Celebrate

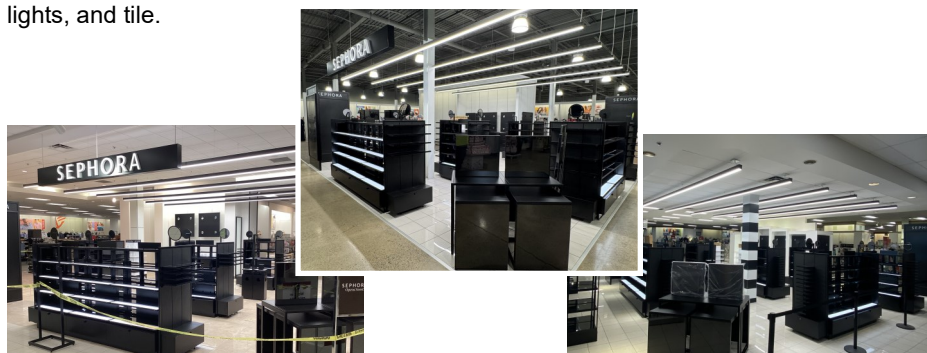

Sierra-Chesterfield, MI

Woods had the great opportunity to work with TJX to convert what was once a Bed, Bath, and Beyond into a Sierra which offers active and outdoor lifestyle brands for hiking, running, camping, yoga, and other active gear. With the teams hard work they took an empty shell and transformed it from floor to ceiling into a new opportunity for the Chesterfield area.

Kohl's-Sephora

Over the month of February/March, we have been working hard around the country adding small format Sephoras to select Kohl's stores with flooring, fixturing, paint, lights, and tile.

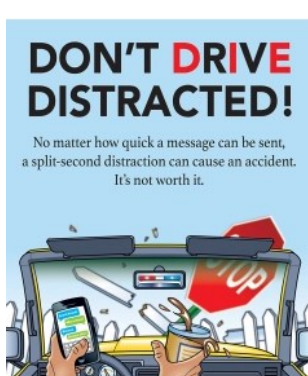

Michigan Outstanding Safety Performance Award

On February 28th, Woods Construction received an award through the Associated General Contractors (AGC) of Michigan. This award shows the hard work and dedication of our employees to maintaining a safe working environment. Thank you to everyone who made this possible!

April- Distracted Driving Awareness

April is Distracted Driving Awareness Month, a crucial time to raise awareness about the dangers of driving while distracted. Every day, millions of drivers are tempted by their phones, in-car entertainment systems, or even simple conversations that take their attention off the road. Distracted driving is a leading cause of accidents, injuries, and fatalities, and it's a danger that can be prevented. This month, we encourage everyone to make a conscious effort to stay focused while driving—whether it's by putting your phone out of reach, avoiding multitasking, or setting your navigation before you hit the road. Small actions can make a big difference in keeping roads safer for everyone. Let's work together to reduce distractions, protect lives, and build safer communities for all.

What's coming next?

Exciting changes are coming to select Targets around the country! We are proud to be leading the way at your favorite retail destination. Get ready for a fresh, updated shopping experience with modern design, enhanced layouts, and improved features that will make every visit even better. Stay tuned for more details – the transformations are about to kick off, and we can't wait to show you!
